

WASHINGTON COUNTY COURT.

September Term, A. D. 1861.

Hon. ASAHEL PECK, Presiding Judge.
Hon. DON P. CARPENTER, Assistant Judge.
Hon. SAM'L S. KELTON, Assistant Judge.

J. M. Mellen, C. & J. Thompson.—Assault and Battery. For Plaintiff, Wing, Lund & Taylor; for Defendant, Dillingham & Durant and Henry.

National Loan.

Pursuant to instructions from the Secretary of the Treasury, a book will be opened on the 22d day of September, instant, at the Bank of Montpelier for subscriptions under my superintendence for Treasury Notes, to be issued under the act of July 17, 1861. These notes will be issued in sums of fifty dollars, one hundred dollars, five hundred dollars, one thousand dollars, and five thousand dollars each, dated 19th August, 1861, payable three years after date to the order of the subscriber or as directed, and bearing interest at the rate of 7 1/2 per cent. per annum, payable semi-annually; such interest being at the rate of two cents for each day on every hundred dollars. For the convenience of the holder, each note will have coupons attached expressing the several amounts of semi-annual interest, which coupons may be detached and presented for payment separately from the notes.

Subscriptions for such Treasury Notes will be received during fifteen days from the day of opening the book as aforesaid. No subscription for less than fifty dollars nor for any fraction of that sum can be received. Subscriptions of fifty dollars or one hundred dollars must be paid in full at the time of the opening of the book, and the balance of the subscription of more than one hundred dollars may be paid at once; or, if preferred, one tenth at the time of subscribing and one-third of the whole amount on every twentieth day thereafter until the whole shall be paid. No payment of less than fifty dollars can be accepted, that being the smallest sum for which Treasury notes can be issued.

Certificates will be granted in duplicate to subscribers for the amounts so paid, the original of which the subscriber will transmit by mail to the Secretary of the Treasury, when Treasury Notes, as aforesaid, will be issued thereon to such subscriber or his order, carrying interest as expressed in such certificate; but in cases where only a part of the amount subscribed is paid at the time of subscribing, Treasury Notes will be issued only for the payments made subsequently to the first, which will remain until the whole amount subscribed by such person shall be paid, when Treasury Notes will be issued for such first payment also. On payment of each deferred installment, the subscriber will pay, in addition thereto, a sum equal to the interest accrued thereon from the 19th of August to the date of payment, and on final payment like interest on the amount paid on subscription, which payments of interest will be reimbursed to the subscriber in the payment of the first coupon.

The Treasury Notes issued upon such certificates by the Treasury will be sent to the subscriber by mail, or such other mode as may be indicated by them when they transmit their original certificates. The duplicate certificates may be retained by them for their own security. E. F. JEWETT, Subscription Agent.

Colby's
ANTI-COSTIVE & TONIC
PILLS

A CANADIAN REMEDY
For Constipation, Irrregularity and Debility of the
Digestive Organs, Inducing Headache, Lassitude, Nervousness, General Prostration of the
Mind and Body, Paralysis, &c.

A moment's reflection ought to convince a sensible man of the folly and danger of constantly dosing with Cathartic Medicines. This practice is pernicious and suicidal. An experience of forty years has taught me that the constantly increasing evils of indigestion are fearfully aggravated by the too free use of Cathartics. The American people are fast becoming a nation of dyspeptics by their artificial modes of life. Drastic Cathartics increase the irritability, and prostrate the strength of the digestive organs.

The Pills now offered are especially designed to allay this irritability, and at the same time to invigorate and strengthen all the functions of digestion, while they are gently laxative. They are anodyne, tonic and laxative. They are so mild and invigorating that one is not reminded by any disagreeable effects that he has taken a medicine. Business Men, Students, Professional Men, Females, and all persons leading a confined or sedentary life, should try them.

The undersigned Physicians, cheerfully certify to the high professional standing of Dr. Colby of Stanstead, one of the oldest and best Physicians, and to the excellent qualities of his "Anti-Costive and Tonic Pills," which we have used with the most successful results.
